

LOTTO PLUS RAFFLE

Lotto Plus Raffle €1,000,000 Christmas Special

What is Lotto Plus Raffle?

Normally, for each Lotto with Lotto Plus line played, a player receives a four digit raffle code and on every draw day a single code is selected and all those that match that code, (approx. 80 -120 lucky winners), each win €500 – nice!

But it gets better - to celebrate the Christmas season, we're making that Lotto Plus Raffle extra special. On Saturday December 22nd, to thank all our Lotto with Lotto Plus players, we will be adding **€1,000,000** to the Lotto Plus Raffle.

That's a bonus prize pot of €1 Million which will be shared evenly by all Lotto Plus Raffle winners. So we expect each winner will receive an additional €8k - €12.5k (depending on number of winners), perfect for those last minute (expensive) gifts or a post-Christmas treat - January sun holiday anyone?! Think of it as a Christmas Bonus from the National Lottery!

How to Enter

It's simple - just play Lotto Plus with Lotto for the draw on **Saturday December 22nd**, and you'll be automatically entered into **Lotto Plus Raffle** for a chance to share that whopping **€1 Million**.

Promotion of this super Christmas giveaway event will commence across tv and press on 13th December, we will also be sending you out a poster to help promote sales in your store.

PLAY RESPONSIBLY, PLAY FOR FUN.
