January 2020 will see the release of the new look Extended Play range of games – Cashword Doubler, Cashword Plus, Diamond Bingo Doubler, Bingo Multiplier & Congratulations.

Like the new All Cash family launch last year, there have been some 'under the bonnet' changes to the existing extended play range. New games both look great and provide a better play/win experience for the customer. With increased odds across the range, name changes and attractive new designs – the new look is sure to brighten up someone's day.

- If you have unsold **Christmas stock** or any other expired stock which has not yet been returned - your local Field Sales Representative or Lites Group representative will do so as part of this uplift exercise.
- Tickets from the old Extended Play game range cannot be offered for sale beyond 5th January and must now be removed from sale.

NEW SCRATCH CARD PURCHASE LIMITS

PURCHASE LIMITS FOR SCRATCH CARDS TO BE INTRODUCED IN JANUARY 2020

In line with the National Lottery's commitment to the promotion of positive play in retail and following an ongoing consultative process with our retailers and retail representative bodies, PLI has decided to introduce limits to the number of scratch cards that can be purchased in any one transaction.

A new limit of **10 tickets** per transaction will be introduced early 2020. This will serve as an additional control to help address two key areas of concern that could contribute to problem play: limiting the total spend in any one transaction and enabling a break in the 'session of play'.

The new limits will be mandatory across all retail points of purchase and the retailers' obligations in this regard will be incorporated into the Retail Agent Compliance Policy. This change will be reflected in an amendment to the Retail Agent Authorisation to be issued at year end.

A further communication will be issued to all retail agents over the coming weeks to include full details of the new policy on purchase limits and setting out a timeline for implementation. This will ensure all Retail Owners and staff are fully informed and prepared for the policy changes.

How to play:
Buy a EuroMillions ticket as normal with or without Plus. For each line on the ticket you get a unique Raffle Code. Remember to check your Raffle Codes after every draw

How to win:
As per every EuroMillions draw, 10 lucky Raffle Codes will be selected to win €5,000 each. On January 10th one of these lucky ten Raffle winners will be selected to win the Guaranteed €1 Million prize.

Liquid Therapy in Donegal named as National Lottery Good Cause of the Year 2019 at Gala Awards ceremony

Community projects from Counties Dublin, Sligo, Westmeath, Laois and Kerry also scoop top honours.

National Lottery Good Causes Awards 2019 shine a light on the extraordinary work impacting communities all over Ireland.

An inspiring organisation which provides ocean, surf, and water therapy for young people with physical, emotional, behavioural or intellectual needs has been named the National Lottery Good Cause of the Year 2019. The Donegal-based, Liquid Therapy was named National Lottery Good Causes of the Year 2019 and also won the Sport & Recreation Category at the gala National Lottery Good Causes Awards, held in the Clayton Ballsbridge Hotel in Dublin on Saturday 2nd November.

36 finalists from all over Ireland gathered for a glittering Awards dinner which was hosted by broadcaster and journalist, Grainne Seoige with support from social media influencer and presenter, James Patrice. The six category winners received €10,000 each, whilst the overall Good Cause of the Year, Liquid Therapy, received an additional €25,000.

EUROMILLIONS GAME CHANGES - 1ST FEB 2020

The EuroMillions Community of 10 Lotteries is making changes to how the overall prize pool is allocated to grow Jackpots 'Bigger & Faster' than before.

The new game should see Jackpots reach the €100m within 7 to 8 rolls instead of the current 9 or 10 rolls. The Jackpot cap of €190m will remain until next won, at which time it can then grow beyond the current limit. The current 5 roll rule before Jackpot must be won will remain in place

There will be:

- NO change to the price – still €2.50 per line
- NO change to the number of balls and stars to match – still 5 balls from 50 and 2 stars from 12
- NO change to Ireland Only Raffle – still 10 guaranteed winners of €5,000 per draw
- NO change to the average payout percent – still at 50% of sales paid out in prizes
- NO change to the win odds - still a 1 in 13 chance of winning a prize on EuroMillions
- NO change to funding Good Causes - approx. 30% of EuroMillions sales to Good Causes in Ireland
- NO change to the Plus game – still €1 per line to play, 54.19% payout in prizes & €500,000 top prize.
