Merry Christmas

Hello and welcome to the Christmas edition of Star Game News.

As 2020 comes to a close, it is a poignant time to reflect on the previous 12 months which has been an incredibly challenging environment for everybody, none so much as those involved in the retail trade. While providing a crucial service to your local communities, you have played a key role in supporting your local suppliers and indeed, propping up our national economy when it was needed most.

On behalf of the National Lottery, we thank you for your support which has allowed us to continue in our mission of raising much needed Good Causes funds for local community groups and organisations throughout Ireland.

It is with great pride I can confirm that for the second year in a row, the National Lottery looks set to raise a further €250 million for the Good Causes Fund in 2020. We also estimate that approximately €50 million will be paid out in retailer commissions and bonus payments before December 31st of this year. Quite frankly, this is an incredible achievement and none of this would have been at all possible without your support.

While 2020 may have been a difficult year for most, it will also be viewed as the year that has changed so many lives for the better! At the time of writing, 31 brand new millionaires have been made in Ireland through our games this year and we expect many more big winners before December 31st. My congratulations to our recent big winning retailers in Cork, Carlow, Dublin, Galway, Kilkenny, Limerick, Roscommon and Waterford who are all featured in the Winning Retailers section of this booklet. These are life-changing moments for your customers so you should be proud of the part you have played in making that happen.

While the year may be coming to a close, we will certainly not be resting on our laurels and we will continue to heavily support our product offering and drive further foot-fall in-store. As always, we will continue to provide exciting game promotions to whet the appetite of your customers.

Our seasonal range of games includes the exciting festive scratch card range and of course the return of the highly anticipated Millionaire Raffle which offers over 6,000 cash prizes, including the top prize of €1 million which is guaranteed to be won on New Year's Eve.

As you are no doubt aware, the sale of National Lottery products in-store requires the utmost of propriety to ensure that players are protected at all times in line with our Responsible Play policy. I especially want to thank you all for your incredible support for our most recent initiative 'Responsible Play Awareness Week' in November and of course the successful introduction of purchase limits for Scratch Cards.

We are always available to support you in any way we can. If you ever require any assistance, please do not hesitate to contact your local National Lottery Representative as normal or indeed you can contact our retail team on 1800 22 44 55 or by emailing telesales@lottery.ie.

Thar ceann An Chranncur Náisiúnta, Ba mhaith liom guím gach rath ort agus Nollag sona duit go Léir an teaghlach.

End Claim Date

As part of our ongoing commitment to ensuring the best possible experience for Players and Retailers all core Scratch Card Games introduced to the portfolio going forward will have predetermined expiry dates printed on the back of each ticket.

This ensures

- The final date to claim a prize on any game is clearly communicated to the player, limiting any confusion as to the validity of a ticket.
- Retailers are aware of the expiry date of each game to support better stock management practices.
- Tickets are not offered for sale after the game end date which would impact the Players right to claim a prize.

How to activate a book of Scratch Cards
