Heading towards an exciting New Year...

And so, we approach the end of 2021 and on reflection, it truly has been a remarkable and historic year for everybody involved in the National Lottery.

2021 will be best remembered as the record-breaking year for National Lottery jackpots. For the first time in the games' history, the EuroMillions jackpot hit the record prize cap of an incredible €220 million last October, but it is the Lotto game which has rightly grabbed all the headlines after hitting the €19.06 million prize cap. While the jackpot prize was capped, millions of euro has flowed down to lower prize tiers which has seen hundreds of players nationwide benefitting at the Match 5 and Match 5 + Bonus prize tiers. However, the biggest winner of the record-breaking Lotto jackpot has been the Good Causes Fund and the community groups, individuals, and projects which it supports. At the time of writing, the current Lotto roll alone has raised almost €60 million for the Good Causes Fund. That is a truly remarkable sum which will make a real difference to the communities in which our Good Causes beneficiaries work support.

Speaking of Good Causes, I am incredibly proud to confirm that sales of National Lottery games look set to raise over €250 million for the third consecutive year. We also estimate that in excess of €50 million will be paid out in retailer commissions and bonus payments before the end of the year. It has truly been a remarkable year for our players and Good Causes and none of this would have been possible without your support.

Given our record-breaking jackpots and successful scratch card games, we have had a whole host of big winners and new National Lottery millionaires since our last edition. Key to those big wins are our local retailers, many of whom have featured in national and local press, celebrating their big wins! A big thank you to all the retailers who continue to help us to promote these big wins to their local communities and who knows which lucky retailer will be receiving the call to inform them of the next big jackpot win!

As a business, we are always striving to support our retail partners and to provide the best possible customer experience in-store. We are currently working on some very exciting concepts and new equipment, in addition to new scratch card displays which are trialling at selected stores throughout the country. We look forward to sharing the results of the trial and the next phase of a possible roll-out in early 2022.

Given these developments and the continued popularity of our games, we want to remind you of the importance of remaining vigilant to ensure that the protection of our players is at the forefront of what we do. There is a strong focus on responsible play standards in-store with increased mystery shopper campaigns on age and purchase restrictions across 2022 which will be supported with increased education, awareness, and support from your local field sales representative. To help support you in our Responsible Play campaigns, we will be shortly launching our new retailer certification and training on our online Retail Portal which also includes a super competition for early adopters, so make sure to keep your eye out for details for your chance to win!

With our Christmas campaigns in full flow, there is bound to be some much-needed festive cheer in-store with our Christmas scratch card product range which has a prize fund of €7.4 million. Additionally, the ever-popular Millionaire Raffle is back and following last year's sell-out, we are reminding our players to purchase their tickets early to avoid missing out on the chance to become a millionaire in the New Year's Eve draw. Our full Christmas offering will be supported by our advertising and promotional campaigns to drive further footfall into stores throughout the country.

While millions nationwide will be enjoying some well-deserved down-time with their families over the festive period, I want to assure you that the National Lottery team will still be available to support you throughout Christmas week. All draws will also continue as normal with over 20 draws that week, including the Lotto draw which will take place on Saturday 25th December. If you require any assistance during this period, you can contact us as normal by calling our Retail Help Desk on 1800 22 44 55.

Thar ceann An Chranncur Náisiúnta, Ba mhaith liom guím gach rath ort agus Nollag sona duit go Léir an teaghlach.

€1 Million Lotto Plus Raffle

To celebrate Christmas, the National Lottery will run a €1 Million Lotto Plus Raffle Event.

On Saturday 11th December, a **GUARANTEED €1 Million** will be added to the Lotto Plus RAFFLE.

This is the 6th Lotto Plus €1 Million Raffle in 2021 and the 17th overall.

How do I play?

Buy a Lotto Ticket with Plus as normal, for each line on the ticket you get a non-unique raffle code between 0001 - 9999. Remember to check your raffle codes after every draw!

How do I win?

As per every Lotto Draw a lucky raffle code will be selected, any ticket with that code wins €500. On 11th December all tickets with the winning raffle code will also win an additional share of the €1 Million prize.

Typically there are approximately 100 - 120 winners of the Lotto Plus Raffle every Saturday. This means that on Saturday 11th December players with the winning raffle code on their ticket will win approximately €10,000 (amount may vary depending on the number of winners on the night).

EuroMillionaire Raffle

EuroMillionaire Raffle

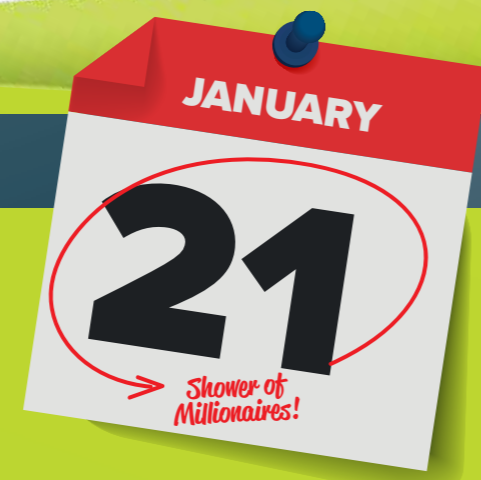

As with the previous EuroMillionaire Raffle promotions, players in Ireland who buy a ticket for 21st January 2022 EuroMillions draw will automatically be entered into the EuroMillionaire Raffle for the chance to be selected as one of a guaranteed 100 winners of €1 million across the community (the largest amount we have given away through this mechanic).

This is in addition to the main EuroMillions game where players have the chance to win the jackpot and other prizes, and the Ireland Only Raffle where 10 players in Ireland are guaranteed to win €5,000. Players do not need to do anything differently than they normally do when they play EuroMillions, they are automatically entered into the promotion.

All EuroMillions tickets bought in Ireland include a unique Ireland Only Raffle code for each line played. On 21st January, those unique Raffle codes will also be included in the EuroMillionaire Raffle Draw, along with raffle codes from each of the other participating EuroMillions lotteries.

The EuroMillionaire raffle draw will take place following the main EuroMillions draw on Friday in Paris under independent supervision and using the same draw procedures as previous events in 2016 and 2018. The winners are chosen randomly and may come from any of the EuroMillions lotteries, there is no guarantee there will be winners in Ireland, but based on our share of sales, we would expect 2-3 winners.

Players in Ireland can win on both, Ireland Only and EuroMillionaire, raffle draws and on the main EuroMillions draw. Results for both raffle draws will be published on the National Lottery's website, lottery.ie, along with the EuroMillions winning numbers.

Your Quick Reference Guide to Retail Compliance

Remember - the number of Scratch Cards that can be purchased in one or series of contemporaneous (simultaneous) transactions is limited to 10 tickets.

Mystery Shopper Programme:

The National Lottery operate a continuous programme of Mystery Shopper campaigns throughout the year to measure compliance with Retailer obligations on the sale & promotion of Lottery products. Campaigns are designed to reinforce the compliance message, educate Retail Owners & Staff and build a culture of awareness of the regulated nature of Lottery games.

Age Control:

- Think 21 Test Purchase - a retailer must challenge for ID if a customer looks under the age of 21 years. Players must be 18 or over to purchase any Lottery product
- Age Control Notice – the 18 or over notices must be displayed at the point of sale

Purchase Limits:

- The number of Scratch Cards that can be purchased in one or series of contemporaneous transactions is limited to 10 tickets. There are no exceptions to the rule.

Ticket Checking & Prize Payment:

- Issuing of Customer Receipts - please remember that it is a requirement to give the customer the prize payment receipt after any prize has been validated for payment.
- If the ticket presented is not a winner, the ticket should always be returned to the player along with the 'NOT A WINNER' receipt which will print automatically.

Remember failure of a Mystery Shopper campaign is a breach under the Retail Sales Agent Compliance Policy and will result in a sanction – the policy is available to view/download on the Retailer Portal.

Licence Renewal & Compliance Certification

As you may be aware your Licence to operate as a National Lottery Agent is renewed annually. Shortly we will be issuing letters to all Retailers advising that their National Lottery Agent Licence has been renewed for 2022 subject to completion of the mandatory training and compliance certification.

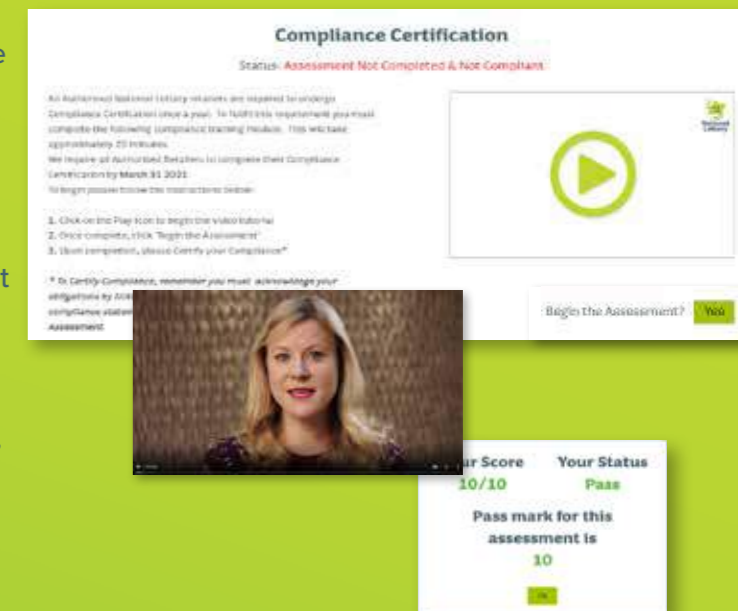

As a National Lottery Retail Agent you are required to certify compliance with your obligations under contract and regulation each year.

On 1st February 2022 your compliance status will be reset to non-compliant on the Retailer Portal and we would ask that you complete the short training tutorial, assessment questionnaire and certification on or before 31st March 2022.

We will issue a reference guide to all Retailers ahead of the 1st February start date with simple step by step instructions to completing your certification successfully.

We would advise all Retailers to log on to the Retailer Portal at <https://retailer.lottery.ie/> regularly for updates and access to a range of training and other reference collateral including Terminal functionality guides and Scratch Card planograms. This will also ensure your access passcodes are front of mind and helps reduce log-in issues when you go to certify compliance.

Remember if you have changed the email address originally used to register for the Retailer Portal you will need to contact the Retail Help Desk who will be happy to walk you through the process and authenticate your new credentials.
