Welcome to the Christmas Edition of Star Game News

It has been another remarkable year for everybody associated with the National Lottery including you, our valued retail partners, our players who have won life-changing prizes and of course the thousands of community groups and individuals throughout the country who have benefitted from the Good Causes Fund.

2022 was the year that broke all records for our Lotto game which seen the biggest ever jackpot worth €19.06 million won in Castlebar last January. At the time of writing, we have already seen an incredible 33 millionaires made in Ireland in 2022. With ten Lotto jackpot wins already this year, win belief among our players has never been stronger. Congratulations to all of the winning retailers who have recently sold winning jackpot tickets which included Seamus Lowthe in Duleek, Co. Meath who sold a winning Lotto ticket worth €8.9 million in October.

It has been a year of record-breaking jackpots and exciting draw events for our players and your customers. More important however was the continued investment and improvements we have made to ensure that customer journeys in-store are as smooth and enjoyable as possible. In the last number of weeks, the auto-activation of National Lottery games was rolled out across the retail network, and it has been a massive success for both customers and indeed retailers who have benefitted by ensuring prize payments and ticket activations are processed in one seamless transaction. We have further invested in retail with the rollout of additional jackpot signs to over 1200 retailers which are being installed throughout November & December at secondary till points.

At the end of November, we were delighted to be once again associated with the ShelfLife C-Store Awards as main sponsor where the Spar store on the Racecourse Road in Thurles, Co. Tipperary was crowned the National Lottery store of the year. Congratulations to Gerry Harvey and Eadaoin Brehon and all of their staff for their commitment and support in the sale and promotion of National Lottery products. Full details on these prestigious CStore awards and this year's finalists are featured in further detail in this edition of Star Game News.

Congratulations also to Cú Chulainn Blood Bikes, an inspiring voluntary organisation in Co. Monaghan who won the overall prize at the recent National Lottery Good Causes Awards. The Good Causes Awards final brought together 35 of the most extraordinary community groups and volunteers, from all over the country whose work has benefitted from the Good Causes through the sale of our games. Well done to all of the nominees and finalists in the awards, full details of which can be found on our website, www.lottery.ie.

December is set to be a very exciting month for our players as we roll-out a number of very special events across a number of games throughout the festive period. Most notably, the EuroMillions game will have a special '12 Draws of Christmas' which will see 120 players share in a guaranteed to be won prize fund of more than €5 million. Additionally, on Friday 2nd December, a very special EuroMillions draw will take place which will see a guaranteed €130 million jackpot, and this will drive further footfall into your stores.

Our product and marketing teams have been working hard all year to ensure that our games provide additional excitement to our players. Among the many successful events which were held throughout the year, we are pleased to launch two brand new scratch cards which we expect that they will prove very popular for our players. We will shortly be launching a brand new €15 'All Cash Gift' scratch card which is the ideal gift for any occasion while we also have a new game called Fire 4's and Ice 5's which is available for €5.

It wouldn't be the festive season without our full range of gifting products, including the Christmas scratch card range and the ever-popular Millionaire Raffle draw. All of these games will feature in our advertising over this period and following last year's sell-out in the Millionaire Raffle draw, we will be reminding our players to purchase their tickets early and avoid missing out on the chance to become a millionaire in the New Year's Eve draw.

I would also like to remind you that despite the upcoming holiday season, National Lottery games, draws and retail support will be operating as normal during the festive break. If you require any assistance or support, you can contact us as normal by calling 1800 22 44 55 or by emailing telesales@lottery.ie.

Finally, on behalf of the National Lottery I would like to wish you and your families a very peaceful Christmas and thank you for all of your support throughout the year.

Owners Martin and Catherine Canavan have been running the service station for sixteen years and were thrilled to find out they sold the winning ticket: **"I'm so excited, I can barely speak!", said Catherine. This is the biggest prize that we have ever sold so there is certain to be great excitement around as soon as the news gets out. We're a busy little shop out in the middle of nowhere. We've been running the service station sixteen years and most of our staff have been with us since the very first day. We've been kept going over the years by our amazing local customers. They are fantastic to us, and I'm so delighted someone has won this life-changing amount of money. We wish the winner the very best of luck with their prize"**, Catherine added.

A million in Mayo!

There was lots of cheering going on in Turlough Stores, in Turlough Co. Mayo, which sold the winning ticket for Thursday's 3rd of October Daily Million top prize win worth €1,000,000. Pictured celebrating are store owners, Michael and Attracta Barrett. It is the second big win for the store in a year, which sold a Lotto match 5 plus bonus ticket worth a whopping €595,521 on the 23rd of October last year. At the announcement, store owner Michael Barrett said: **"I could not believe it to get the call again so soon to say that our shop had sold another winning lottery ticket. This is our first jackpot win, so it is extra special and it's a huge win for the locality. It is the perfect time of year for a win like this in the run up to Christmas, especially coming out of the pandemic and all the talk of doom and gloom about the economy. It is great news for the local area, and we are hoping that the winner is local and comes forward to claim very soon."**
