Welcome to the first digital edition of Star Game News

Dear retailer,

As we step into the vibrant Spring period, I'm thrilled to share some exciting updates from The National Lottery. Firstly, a warm welcome to our digital only version of Star Game News! This marks a significant milestone in our sustainability journey, as we strive to embrace eco-friendly practices while keeping you informed and engaged.

Following the resounding success of the launch of the new All Cash Surprise Scratch Card, I am delighted to introduce another exciting game, 'Cash Grid' into our Scratch Card product portfolio. This addition promises to offer players more choice in-store and more opportunities to win big. In addition to our new launches, we're also refreshing popular Scratch Card favourites like All Cash Extravaganza and Bingo 90. These updates aim to keep our offerings fresh and exciting for our loyal players. To further enhance your understanding of the Scratch Card category, we've recently conducted an intensive education program. Our team of Field Sales Representatives will soon be reaching out to provide you with comprehensive insights and support.

Congratulations are in order for our Star Mark winners, who have showcased outstanding excellence in retail compliance and in-store standards. Their dedication and commitment are truly commendable, and we're proud to reward them with a total of €20,000 in prizes.

In our ongoing efforts to improve retail communications, we have introduced new terminal messaging. This initiative aims to streamline communication and provide you with valuable information right at your fingertips.

As part of our commitment to responsible gaming, our continuous mystery shopper campaign is conducted year-round, and we rigorously test Purchase Limits and Age Control to ensure strict adherence to all necessary controls. It's crucial that staff are fully aware of their obligations regarding age control and purchase limits. Rest assured, our team will continue to support you in fostering better education and awareness at the store level.

Lastly, we are eagerly anticipating the sixth Good Causes Awards, where nominations have recently closed for all community groups and organizations that have benefited from National Lottery funding. The Awards Gala event, scheduled for October, promises to be a memorable occasion, and we look forward to welcoming some of our retailers to join us in celebrating the incredible contributions made by our beneficiaries. We look forward to offering places at the Awards ceremony through competitions in this publication.

Thank you for your continued partnership and support. Together, we'll continue to make a positive impact in our communities and create memorable experiences for our players.

Warm regards,

Niall Andrews
Chief Retail Officer

All Cash Surprise Update

The newest member of the All Cash Family is already a big success! Since the launch in February, players have enjoyed playing this game and we have seen over 25,000 books activated.

Even more surprising, this Scratch Card already had its first TOP PRIZE winner! A lucky Limerick player won the fantastic prize of €150,000!

We want to thank you for the support received by our Retail Network for the hard work on the promotion of this new Scratch Card! The frame highlighting this new game has contributed to the successful launch of All Cash Surprise.

We would like to remind you to ensure to provide winners with their prize payment receipts and not to return winning validated tickets back to players.

New Game

Cash Grid

Cash Grid is the latest €5 addition to the Scratch Card Portfolio. It is an exciting and fun game that should appeal to players who enjoy longer game styles. The prizes range between €5 and €50,000. The design of this game features innovative neon elements that are eye-catching and should help Cash Grid stand out in the LCU.

Cash Grid has a similar mechanic to bingo Scratch Cards where players match the numbers revealed under the "Your Numbers" to numbers shown in the Play Grid area.

How To Play

1. First, Scratch YOUR NUMBERS area to reveal 20 numbers.
2. Next, scratch the matching numbers in the PLAY GRID area.

Paying Prizes

All prizes up to and including €100 will validate automatically once presented to the Lottery Terminal.

Once validated by the central system the terminal will print two prize payment receipts, one for the agent's record and one that must be given to the customer. Prizes from €101 up to and including €2,500 can be validated and paid at the agent's discretion. To ensure these prizes are validated correctly and your account is duly credited please follow the instructions on the terminal screen carefully, and only pay out the prize when the terminal has issued the two prize payment receipts.

To validate a prize from €101 up to and including €2,500 you must follow the 3 step validation process below:

1. Scan the winning ticket (Scratch Card or Draw Game) on the Lottery terminal. The prize value will display on the screen.
2. To proceed with the prize payment press the 'PAY' icon.
3. A further 'prompt' will display asking if you have sufficient funds to pay the prize. If you wish to proceed with the prize payment simply press the 'PAY' icon again and the ticket will validate and automatically print the two prize payment receipts.

NOTE If you opt not to proceed with the validation select 'CANCEL PAYMENT'. The terminal will produce 'ticket prize inquiry receipt' which should be returned to the player with the original ticket. The player then has the option for bringing that ticket to another Lottery Agent or a designated Prize Claim Centre for payment.

The Lottery will shortly introduce a number of upgrades to the Lottery Terminal user interface which will see more descriptive messaging specifically around prize payment scenarios to ensure Retailers are guided through the process effectively. Details are contained on page 12.

REMEMBER Always retain prize winning tickets after validation for security and account balancing purposes. Once you are satisfied that your lottery transactions are fully reconciled, prize-winning tickets should be disposed of securely in an environmentally friendly way. Only ever return a prize-winning ticket to a player where there are valid draws remaining.

Note: In this instance the sales agent prize payment receipt should be used for reconciliation purposes.

Previously Validated Messaging —What To Do?

REMEMBER Always follow the instruction on screen when validating any prize and only pay out a prize when the terminal has issued two prize payment receipts, one for the customer and the other for your records. If the following messages are displayed when attempting to validate a ticket please follow the on-screen instructions and call the Retail Helpdesk on 1800 22 44 55

The **Transaction History** will allow you check the last validations to confirm if the ticket has been validated on your terminal. If you are satisfied the details match you can proceed with the prize payment. Again if in doubt always contact the Helpdesk for confirmation.

IMPORTANT: If presented with a Photocopy of a Draw Game ticket you must **NEVER** attempt to CHECK or VALIDATE that ticket - if in doubt please call Customer Support on 1800 22 44 55

Cancelling a Draw Game Ticket - Rules

- All Draw Based Game tickets can be cancelled with the exception of TellyBingo & Millionaire Raffle.
- Tickets must be cancelled within two hours of generation or 'Draw Break', whichever occurs first.
- Please remember it is best practice to always cancel a ticket where a customer, for whatever reason has decided not to proceed with the sale.
- Do not offer that ticket for sale to another customer.

Where a ticket cannot be cancelled for whatever reason you must contact the Retail Helpdesk immediately where the incident can be recorded and an adjustment/credit can be initiated. In certain circumstances you may be asked to provide an image of the ticket to be adjusted for record purposes.

To cancel a ticket please follow on screen instructions.

IMPORTANT Any requests received over two hours after incident or after Draw Break has occurred cannot be accommodated.

Enhancements to Terminal User Messaging

As part of the National Lottery's ongoing programme to improve the user experience, we plan to upgrade / enhance a small suite of terminal user messages, specifically in the area of stock management and processing of prize payments.

Retailers are consistently advised to follow on-screen instructions when presented during any Lottery transaction - sale, cancellation or prize payment. To ensure all personnel using the terminal see and act on these messages we have made some changes:

- The messages themselves will be more descriptive
- The dialog box with the message detail will be larger with a highlighted banner.
- In certain scenarios the user will be required to acknowledge the message by pressing the 'OKAY' icon - these messages will stay on screen until cleared.

The new messaging will be live on Lottery terminals on 25th April following the software batch release.

Sample Screen Shots

Full Advance Play Options to be Reinstated

With the introduction of EuroDreams late last year there was a number of changes made to the 'Fast Play' options for all Draw Based Games, limiting these options to the most popular plays historically.

In the case of TellyBingo we have received feedback from Retailers and Players regarding the unavailability of 4, 5 & 6 draw advance play options specifically, so as part of the latest Terminal software application release that will see the changes to terminal messaging, it is planned to reinstate these Advance Play options on 25th April 2024.

The new Terminal Game Play Interface will be as follows:

TellyBingo Advance Play 2 to 6 draw options.

A kick start to the year with a €1 million win in Dublin 12

It was a big start to the new year for the Mace store on Muckcross Avenue in Perrystown, Dublin 12 which was revealed as the selling location of the €1 million top prize winning ticket for the Millionaire Raffle draw. Shop owner Sean Mooney was over the moon to start the year with a call from the National Lottery and at the time of the win, he said:

“Myself and my wife have owned the store here since the Lotto began back in the late 80s so we were delighted to hear that we sold a ticket worth €1 million. There’s been a buzz around the place all morning with customers popping in and seeing the champagne and the photos being taken. We’ve even had someone come in to check their ticket this morning and it turned out to have a €500 prize on it so lots of good news to start the year with. Here’s hoping that the top prize winner checks their ticket soon too – they could be sitting at home with a ticket worth €1 million and have no idea at all just what they have won.”

Shop owner Declan McCrann was thrilled to hear that one of his customers won big on a €15 All Cash Gift Scratch Card over the Christmas period. The Londis store on Cleveragh Road in Sligo town saw one of their customers enjoy an incredible €300,000 top prize win.

“What a start to the new year for one of our customers with a visit to Lotto Headquarters to pick up a cheque for €300,000. This is our biggest win that we have ever had and for it to be on a Scratch Card is great because I think players sometimes assume that they’ll never win the top prize and now one of our customers is proof that it really can be anyone! We have a team of 22 working here in-store and the entire team was thrilled with the news. We are all hoping that we might see more of our customers winning big soon too!”

Lotto jackpot win for the Wee County

It was a day for champagne celebrations in the Wee County as Arthur's XL Shop on the Newry Road in Dundalk was revealed as the selling location for the Valentine's Day jackpot winning ticket worth an astonishing €3,523,021.

Brian Duffy, who owns the store with his wife Clodagh, was thrilled to hear the news so soon after selling another large prize:

“Two months with two big wins for our customers! Back in January, we sold an All Cash Platinum scratch card with a €75,000 prize and now the winning has gotten even bigger for February. We are delighted for the winner – imagine checking your ticket to see it's worth over €3.5 million.

Myself and my wife took over the shop back in December 2021 from my wife's father so this has been our biggest win since then. There is sure to be lots of excitement in-store as the news spreads and of course around the town as well. We have a real mix of locals who come into us daily as well as passing trade from far and wide as we are located not too far from the border. The winner really could be anywhere, so we wish them all the very best with their huge win.”

The win marked the second Lotto jackpot win of 2024 following an online win for a Dublin player worth over €14.67 million on 27th January.

Bank Holiday Bonanza in Merville!

There was a buzz around the town of Merville for the Easter weekend after it was announced that a Donegal Lotto player won the life-changing prize of €1 million in the special Lotto Plus Raffle event on Saturday 30th March. The winning ticket was sold at Doherty's Centra store in Merville on Friday 29th March.

Shop owner Gerry Doherty was thrilled to hear that one of his customers was having the most memorable Easter weekend: **"I was absolutely delighted to get the call from the National Lottery to say that we sold the €1 million winning ticket in Saturday's draw. It's absolutely life-changing for the winner but even for the store, this is a big year for us so it's perfect timing for a big win. 2024 marks 40 years that the Doherty business has been in operation and 20 years that the store has been open too so this really gives us even more to celebrate.**

All of the staff here in store are delighted that one of our customers is now a millionaire and I am planning on putting the agent selling bonus to good use by throwing a big party for the entire team – it's important to celebrate these things and what better excuse could there be!

We have been saying all weekend that we hope the winner has checked their ticket by now. Imagine seeing that amount pop up when you check your Raffle number! We are telling everyone popping into the shop to make sure they check their tickets because you never know, it could be you!"

While the Lotto Plus Raffle typically sees between 60 and 120 winners of €500 in every drawn, the Saturday 29th March draw saw a Donegal player enjoy an even higher windfall due to a special Raffle event.

Each of the tickets with the winning Lotto Plus Raffle number drawn on Saturday night were entered into a once-off random draw where one ticket was selected to win an additional prize of €1 million. While every ticket holder who had the winning Raffle number won €500, one player has won €1 million, in addition to the usual €500 prize.

Top prize Scratch Card win for Monaghan

The staff at Cassidy's XL store on the Dundalk Road in Carrickmacross were celebrating after one of their customers scooped the top prize of €300,000 on a €15 All Cash Gift Scratch Card.

Anita Cassidy, who owns the shop with her husband Shane, said the entire team in-store was delighted to hear the news.

"This is the biggest prize that we have ever sold so there's been great excitement about the win. We had a Lotto Plus 2 win worth €250,000 back in 2017 so this one is even bigger again."

It's great news for both the store and the community. We wish the winner the very best with their win and hope they are enjoying it!"

Lightning strikes twice in Garryowen!

Shop owner Tom Brosnan was thrilled to hear that his shop, GO Stores in Garryowen in Co. Limerick, sold the jackpot winning ticket worth €8,970,934 in the Lotto draw on Saturday 20th April. The Garryowen neighbourhood shop is no stranger to huge wins. GO Stores became one of the most famous shops in Ireland almost 20 years ago after selling the winning ticket for the largest ever EuroMillions jackpot prize at the time, worth over €115 million, to Dolores McNamara.

Speaking at a media event at his famous store in Limerick City, store owner Tom Brosnan was in disbelief that his small store could sell another life-changing lottery prize in his time: **"We're back on the map for a lottery win, big time. It's been almost 20 years since we sold the winning EuroMillions ticket to Dolores (McNamara) but this win is just as magical. Most of our customers are local and we're absolutely thrilled for whoever it might be. The whole community has been down to the shop today, there's a great buzz about the place and I'm sure the celebrations will continue for a good few weeks until the winner comes forward. Whoever they are, we wish them the very best of luck."** he said.

Good Causes Awards

Record number of applications for this year's National Lottery Good Causes Awards 2024!

The National Lottery has received a record number of applications for this year's National Lottery Good Causes Awards, which honours the inspiring work and achievements of projects, clubs and individuals all over Ireland, who, with the help of National Lottery Good Causes funding, have had an extraordinary impact on their local communities

The awards ceremony will take place on Saturday, 12th of October in Killashee House Hotel in Naas, Co. Kildare.

National Lottery CEO Andrew Algeo is delighted to welcome the Good Causes Awards into its sixth year: "This is the sixth year of the National Lottery Good Causes Awards, and again, we are reminded of the extraordinary positive impact that the people who drive Ireland's Good Causes have in shaping a brighter and more inclusive future for all. Everyone who is associated with the National Lottery can feel proud that the funding from ticket sales supports the success stories that are the Good Causes. Since 1987, over €6 billion has been raised by National Lottery players for Good Causes and €4 million is raised each week. We look forward to working closely with Good Causes and Minister Donohoe's department over the next couple of months to ensure Good Causes funding is as transparent as it can be".

Minister Paschal Donohoe, a strong advocate of the Awards, commended the work being carried out by Good Causes in communities all over the country: "It has been wonderful to meet with and hear first-hand how National Lottery funding supports organisations such as Meath Women's Refuge and Support Services and the Homeless Street Leagues, who through the power of Sport are doing life-changing work for those who are experiencing or have experienced homelessness.

This year, my department is focused on progressing with initiatives that will strengthen and acknowledge the positive impact of National Lottery contributions in communities nationwide."

Last year, Meath Women's Refuge and Support Services were crowned Good Cause of the Year 2023. Sinead Smith, CEO of the organisation spoke of how they utilised their €35,000 prize winnings. "Thanks to the award funding, we're making a meaningful impact in the lives of women affected by domestic violence. Investing in professional counseling with €24,000 ensures 400 hours of essential support, empowering 65 women on their path to recovery. Additionally, allocating €11,000 towards staff support, wellbeing, and training underscores our commitment to maintaining high-quality services and adapting to evolving challenges, reinforcing our dedication to women and children's rights."

The Awards will have seven categories which are:

- Sport. Winning through inclusion.
- Health and Wellbeing. Promoting healthier & happier communities.
- Arts & Culture. Celebrating Irish creativity.
- Heritage. Protect, preserve and promote.
- Community. Enriching the fabric of Irish life.
- Youth. Nurturing Ireland's Next Generation.
- Irish Language. Cothú grá na cainte

A special category, 'Hero of the Year', will also be announced at the Awards final, in recognition of outstanding work done by an individual within an organisation and will receive a prize of €5,000.

Each category winner will receive €10,000 while the overall Good Cause of the Year will receive an additional €25,000.

Nearly 30 cent in every €1 spent on all National Lottery games goes back to Good Causes in the areas of sport, youth, health, welfare, education, arts, heritage, and the Irish Language. In total more than €6 Billion has been raised for Good Causes since the National Lottery was established 36 years ago. In 2022 alone, €259.5 million was raised for local Good Causes in communities across Ireland.
