Looking back on a great year

Dear Retailer,

Now that the festive season has drawn to a close and we look forward to a new year and all that will bring, I just wanted to share some of the incredible highlights from the National Lottery over the past months. Our ever-popular Christmas Millionaire Raffle is probably a good place to start with the final Lottery Millionaire of the year created in the New Year's Eve's draw on 31st Dec 2025 along thousands of prizes from €500 to €100,000 picked up by lucky players all over the country. Congratulations to the Management & Staff at Cullies Maxol Service Station in Cavan who sold the winning €1million raffle ticket. Our Christmas range of Scratch Cards, including Christmas Countdown, Merry Money, and Festive Riches proved popular with players again this year, individually or bundled as a total gift idea for the holiday season. The redesigned Gifting Wallet was a big hit with players as it could accommodate the Millionaire Raffle Ticket, any of our Scratch Card games, or both. This gifting wallet will remain available going forward for all those gifting occasions throughout the year.

Continually developing and enhancing our game portfolio has been the cornerstone of the success of the National Lottery by providing innovative and engaging games which continue to excite our existing base and bring in new players to the category. Our product team were particularly busy last year ensuring the product offering remained exciting, diverse and appealing to new and existing players alike. Earlier in the year we introduced All Cash Millionaire, the first Scratch Card game to offer an incredible €1m top prize. The game has performed exceptionally well and has surpassed all expectation and now well and truly established as a core game in the All Cash family. 2026 will see a number of brand-new Scratch Card games coming to market including 1 Year Richer, €500,000 Money Multiplier & Black Pearl, all featured in this edition. We are confident that these and other planned additions throughout the year will captivate and delight our retail players.

It was a record year also for our Draw Games with 29 new Millionaires created and of course the highlight coming in June when the biggest EuroMillions jackpot ever, an eye-watering €250million was sold in Cliffords Centra in Cork. Most recently one lucky Cavan player picked up another life-changing win of €17million having purchased their ticket in Lidl Cavan on 12th December. Our belief in the power of winning is a key tenet of any successful Lottery, and we highlight just some of those life-changing winnings in our winner awareness section with the selling Retailer front and centre of the PR activity around each win. Retail owners & staff are key stakeholders in the Lottery community, and it is important those that have sold these winning tickets are involved in the winning experience.

Earlier in October, we held our annual National Lottery Good Causes Awards and what an incredible night it was. AkiDWA, a leading organisation advocating for the rights of migrant women in Ireland were announced as overall winners on the night, with a special award of Hero of the Year going to Liam Brereton for his outstanding commitment to Edenderry Boxing Club and his work promoting inclusivity and female boxing. It is so important these charities have a platform to showcase their vital work and the remarkable contributions each make in their communities.

Speaking of awards, we were proud to once again sponsor the recent Shelf Life C-Store Awards which saw Brodericks Spar in Croom Co Limerick scoop the title of National Lottery Star Store Retailer of the Year 2025. Congratulations to the entire team at Brodericks and all our finalists for their commitment and support in promoting National Lottery products throughout the years.

We have a number of exiting new developments in 2026 which will see considerable investment in display solutions in-store and the launch of a new Retailer App that will completely change how we communicate with Retail owners and Staff and how we support Retailer through more effecting training delivery including individualised journeys for Owners, Managers & Staff covering everything from Terminal Functionality to Responsible Selling and our all-important Compliance Certification & TLC programs. Testing of the new App is currently underway and we hope to begin registering and onboarding Retailer by the end of Q1 2026.

I would like to extend my sincere gratitude for your unwavering support and commitment to the National Lottery through 2025 and look forward to the opportunity to continue our successful partnership in 2026.

Warm regards,

George Canavan
Head of Retail

Think Look Check

Your New Guide to Responsible Selling

Earlier this year the National Lottery introduced its new Retail Compliance Training & Awareness initiative TLC, Think-Look-Check. The programme was designed specifically for frontline staff involved in the sale of Lottery products and focuses on two key areas: Underage Sales & Purchase Limits.

This initiative was supported with in-store POS to highlight the fact that while you have to be 18 years or over to purchase a Lottery ticket, the National Lottery operate a Think 21 policy and anyone who looks under 21 years should always be asked for ID to verify they are in fact legally of age to purchase a ticket.

We carried out extensive research and engaged with a number of Retail stakeholders to better understand the issues faced by Retail Staff and it was clear that in order to drive home the fact that Lottery products are age restricted and should be treated the same as Tobacco & Alcohol, the message needed to be simple and easily consumed and understood by all staff.

To this end we produced a short ninety second video tutorial that can be shared with all staff and viewed on any mobile device by scanning the QR code in the TLC brochure reminding all involved in the sale of Lottery products of their Responsible Selling obligations and always:

Think – think before you sell.

Look – does the player look under 21.

Check – if in doubt always check for ID before completing the sale

We are delighted to announce that we have now added to a short tutorial on Purchase Limits and several videos covering key areas of compliance for those directly involved in the sale of Lottery products including Paying a Prize, Cancelling a Ticket, Managing Scratch Card Stock Effectively & some valuable Do's & Don't's. Simply scan the QR Code below to access this suite of tutorials which should be shared with those in your store responsible for the Lottery category.

Remember to check that your TLC POS is in place and prominently displayed which can be referenced if challenging for ID. If you require additional POS please contact the Customer Support Desk on 1800 224455 or your Local Sales Representative who will arrange that for you.

We want all our Retailers to be compliant and collectively we can ensure the interests of players, retailers and the future sustainability of sustainability of the Lottery are protected.

National Lottery Golf Series Returns in 2025

September saw the return of the very successful National Lottery Golf Series with two great retailer golf days in two of Irelands prestigious golf courses. Both events were very well attended with National Lottery retailers turning up in force to pit their skills on the fairways and greens.

First up was Mount Juliet previously host of World Matchplay and Irish Open. Terrific scoring throughout with runaway leader William Osbourne from Daybreak in Gorey leading the field. All Category prizes were decided by countback.

At the end of September, we headed north to Irelands only PGA resort in Slieve Russell Cavan, weather was kind with the course drenched in sunshine, again another sellout with all tee times booked out. Retailers enjoyed this Irish PGA Championship course with terrific and tense scoring throughout the day. Sheila McCrann from Londis Sligo posted the best score of the day with a host of players within two shots.

After a successful launch we look forward to 2026 with events planned to engage retailers in both golfing and Spa events. We will announce dates at the start of 2026, For further details please contact your Field Sales Representative who will be happy to answer any questions you may have.
